PLEASE READ CAREFULLY

To those not acquainted with our establishment we would say that our nursery was established over fifty years ago (1864), incorporated in 1890 under the laws of the State of Ohio. We handle a complete assortment of Fruit and Ornamental Trees, Shrubs, Vines, Roses, etc. We have large and well equipped storage cellars and packing houses, giving us unsurpassed facilities for the prompt filling of orders.

SHIPPING FACILITIES.—We are located on the Big Four Railway, running East and West. The C. H. & D. passes within a mile of our place which gives us an outlet North and South. Also the Dayton and Troy Traction and the Springfield, Troy and Piqua Traction pass through our city giving us hourly service between Piqua, Dayton and Springfield, and to those who are located on an electric line, with freight service, we can ship by freight over these lines, transferring at Dayton, Piqua and Springfield. The D. & T. has through service to Toledo, Ohio.

EXPRESS COMPANIES.—Two Express Companies, the American and Wells Fargo give us excellent service.

TERMS OF SALE

PRICES.—Prices given herein are for Fall, 1916, and supersede all previous lists and are subject to change without further notice. The articles in this list will be furnished 5 at 10 rates; 25 at 100 rates; 250 at 1000 rates. In no case will long lists or selected varieties be supplied less than 5 of a kind of either fruit or ornamental trees or plants, etc., at lowest rates. We will not book orders made up entirely of scarce varieties.

CAUTION.—We accept all orders on condition that they shall be void should injury befall stock from frost, fire, hailstorms or other causes over which we have no control.

GRADES.—We grade carefully to a uniform standard. When both are specified, caliper measure governs, but we are careful to see that stock is uniform throughout. Our rule is "When in doubt, put in the lower grade."

CLAIMS.—All claims for errors and deductions must be made within six days after receipt of goods.

PACKING.—Prices contained herein are net, boxing and baling additional, for which we make charges to cover only the actual cost. Boxing and packing charged as follows:

SHIPPING.—When ordering, please state how you wish goods shipped, whether by freight or express, also route. When no instructions are given, we forward to the best of our judgment, but in no case will we assume responsibility after shipment is delivered in good order to the railway company. Remedy for loss must lie between the buyer and the railway company, but we will gladly render all the aid we can.

GUARANTEE.—Great care is exercised to have all trees, etc., true to name and we hold ourselves ready, upon proper proof, to replace all trees, etc., that may prove untrue to name, or refund the amount paid. But it is understood between the purchaser and ourselves that this guarantee shall in no case make us liable for a sum greater than the original price paid for the trees, etc., which prove untrue to name.

EVERGREENS

These Evergreens are rooted in sand, put in 2½-inch pots until September, then transplanted to beds outside. They are two years old, and have the extra root-system of the pot-plants and are fully hardened to stand any kind of exposure and neglect. They are good, stocky, well-formed plants.

Add a few of them to your order. Next year you will want more.
